

Parent Code of Conduct

North Kitsap Select Parent Code of Conduct

NK Select asks your support and cooperation as parents whose child (children) are participating in the NK Select program.

- Please recognize that the coach of you child's team is also responsible for your behavior at games. We encourage you to enjoy watching matches, but remember to be positive in your remarks. Support your child and his/her teammates. Please be a positive role-model regarding sportsmanlike conduct.
- By all means, offer your volunteer help to the coach, but remember that the ultimate responsibility for coaching and making coaching decisions rests solely with the coach. Should you feel there is a problem, discuss it privately with the coach rather than involving the player or other parents. This is usually best accomplished before or after practice, or in the evenings, not immediately before or after a match.
- Players will be asked to make a large commitment to the team and take a great deal of responsibility in this program. You can help greatly by giving them the support they require to fully participate in the team's activities. Allow your child to assume responsibilities for him/her self.
- Strive to set the same standards of sportsmanship that is expected of the players. Be considerate of others when watching games, and enjoy the matches
